

**REMARKS**

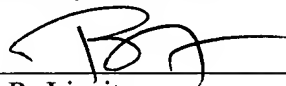

This Rule 312 Amendment corrects minor errors found in the Examiner's Amendment mailed with the Notice of Allowance. An additional minor and inadvertent error in claim 25 is also corrected.

When reviewing the Examiner's Amendment, it was noticed that the word "object" was missing from the recitation of "object of measurement" added on line 3 of claim 1. It was also noticed that the word "and," was not deleted on line 2 of claim 25. These minor errors have been corrected by the present Amendment. Also corrected herein is the use of the extraneous word "and" at the end of line 3 of claim 25. No new issues are raised by the present amendments, which are only corrective in nature.

Applicants' undersigned attorney has reviewed the Interview Summary (Form PTOL-413) attached to the Notice of Allowance, and finds it to accurately set forth the substance of the telephone interview held on October 28, 2004.

In view of the above, entry of the present amendment is respectfully requested prior to issuance of this application. If there are any remaining issues that need to be addressed, the Examiner is requested to telephone Applicant's undersigned attorney.

Respectfully submitted,
